

*Internship Requirements for the Outreach to the Homeless Program*

Crisis Services Homeless Program has one internship opening. A Bachelors or Masters level student in Human Service or Social Work is eligible.

The field experience would include working in partnership with one to two of our case management staff accompanying them to outreach sites including but not limited to homeless shelters, home visits, agency site visits to engaging and meet with clients to offer services and assistance. Follow up case management support and follow up phone work will also be required.

If interested in learning more about this internship experience contact Rachel Morrison at 835-6225 Ext. 164.
